IS HERE!

The Senior Class of BILLERICA MEMORIAL HIGH SCHOOL BILLERICA, MASS.
Proudly Presents the

1971 WARRIOR

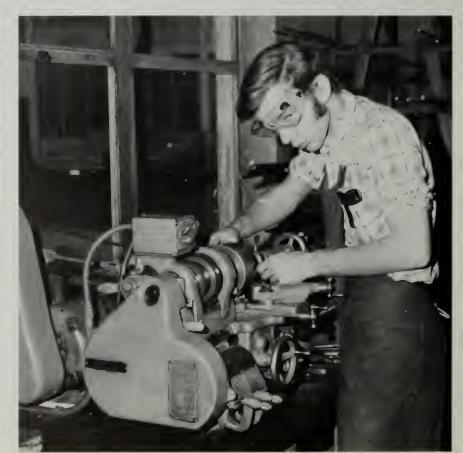

School spirit must be fostered in each class. Memories are mainly made up of class activities. The task of encouraging both of the above falls to the class advisor. Donkey basketball, proms, spaghetti suppers, variety shows, etc., are all an integral part of high school life. The credit for their existence and success also falls to the class advisor. The Class of 1971, in gratitude for her tireless efforts and inspiration, would like to dedicate the 1971 WARRIOR to our advisor, Miss Theresa Re.

FACULTY

ADMINISTRATION

May I extend my congratulations to you upon your successful completion of a formal course of study at Billerica Memorial High School. From here you will now select diverse paths leading to other educational institutions, to vocations, to military service, to marriage. Regardless of your particular selection, you will need three ingredients for personal satisfaction and happiness. One, is the willingness to accept responsibility; two, is the sincere attempt to relate well with other people; and three, the development of a sense of pride in all that you do.

There are many people who expend the least effort on every phase of their daily labors, and yet they expect the greatest return for their minimal effort. Do more, do as much as your physical and mental ability will allow and you will reap a harvest of satisfaction, recognition, and achievement regardless of your chosen profession or vocation.

SPRING TRACK

The spring track team of 1970, with a 6-2 record, tied for second place in the Merrimack Valley League with Chelmsford and Wilmington.

Coach Samson, his second year coaching after a lapse of three years, finally pulled the team together for their successful season.

Five records were broken during the year. Rob Gamble, the outstanding performer, cracked two of these records with a 440 yard run in 52.8 sec. and the high jump with a jump of 5'11".

Ken Guinerie, in the 160 yard low hurdles in 19.6 sec., and Dan Reimer, running the 90 yard high hurdles in 12.4 sec., were also record shatterers.

Don Beecy leaped the triple jump on 38'71/4" for his record.

Another interesting note is that the team defeated Chelmsford for the first time in nine years and the meet went right down to the last event of the day, the relay, in which our team won by five points.

WINTER TRACK

The winter track team, after a lapse of six years from competition, have organized themselves again into a potent force of trackmen in competing for the first time in the strong North Shore Indoor Track League.

Under the expert guidance of Coach Granfield, the team managed to break three school records and tie one.

Captains Barry Iadorola and James Burke inspired the team throughout the indoor season. The team also participated in the State Meet held in the Boston Garden.

School records that were broken this year were:

NAME	$EVEN ilde{T}$	TIME
Barry Iadorola	60 yd. hurdles	6:3
David Cooke	1000 yd. run	2:28.3
Jim Kelleher	2 mile	10:13.8

Barry Iadorola, Jim Burke, Dave Mitchell, and Mike Sheehan tied the school record for the relay with a time of 2:27.

CROSS-COUNTRY

The Varsity Cross-Country Team remained undefeated this year for the third straight year in a row and stretched their winning streak to 33 over a span of three years.

Captain Dave Cooke and Co-Captain Jim Kelleher spirited the team to their 10-0 record for the season and the Merrimack Valley League Championship.

Sophomore John Bradford led the team as the top runner winning nine races and placing second in the tenth.

The team also won the championship meet which was a combination of all the teams in the league in

one big race which is held at the conclusion of the season.

The six seniors on the club who are graduating and will be a great loss to the team are Dave Bradford, Peter Anderson, Dave Cooke, Paul Travis, Jim Kelleher, and David Mitchell.

The Junior Varsity also had an impressive season with a record of 7-1. Top runner for the Billerica Harriers was Dave Gibson. A knee injury forced Dave to miss the last meet of the year which caused the team to suffer their only loss.

CLASS HISTORY

It all began in September of '67. Now, in June of '71, it has come to an end! Four short years of associations, activities, and study; for the class of 1971, the last four years have meant laughter, fun, work, and play.

Mr. Zigarmi was the advisor to our class during our freshman year. Like the freshman senators in Congress, this was our year "to be seen and not heard". There was much excitement during our campaign for class officers—posters, slogans, and promises. Our duly elected officers were: President, Edward Jenkins; Vice-President, Miriam Tilton; Secretary, Kathy MacLean; and Treasurer, Kathy Glavin. We collected dues diligently, and quietly, we planned our social debut into the social calender of Billerica Memorial High School.

We continued to be a "cool" class during our sophomore year, 1968–1969. This was the year we selected our individual clubs and activities. Need it be said that sports, F.T.A., Future Nurses, Spanish Club, German Club, and Math League all felt the mark of our existence, and, no doubt, became a little bit better because of our selective membership.

It was during our sophomore year that we held our first social, the Sophomore Dance. Perhaps, it did not swell our treasury, but it was a social success.

Edward Jenkins and Miriam Tilton retained their offices as President and Vice-President. New to the scene were Jean Lilly, Secretary; and Michele Carpenter, Treasurer.

During our junior year, 1969–1970, the enthusiasm and interest we had hid behind our "cool" began to penetrate to the surface. Miss Theresa Re became our advisor. She brought to us many ideas and much enthusiasm. Our class officers for this year were:

President—Bunky Davis Vice President—Paula Fichera Secretary—Helen Dolan Treasurer—Michele Carpenter

How thrilled we were when our class rings arrived. Wearing our rings was like a symbol that we now belonged.

"Penny Bonanza" was not only a successful dance financially, but also socially. Counting pennies can be fun when you collect thousands of them!

Washing cars on an icy cold day proved to be another fun-fund-raising event. Of course, it might have rained instead of being cold—and that would have been a real catastrophe.

Memories of the home room representatives on donkeys as they played against the male faculty in the Donkey Basketball Game are still vivid and amusing. The varied-colored striped uniforms of the women cheerleaders (members of our faculty) added to their professional maneuvers and acrobatic stunts!

Green carnations and a cake sale on St. Patrick's day loosed up the purse strings of our Irish classmates and swelled the roll of our treasury.

May 16, 1970—a date to be remembered by all—our Junior Promhad finally arrived. The Rolling Green was a pretty sight that evening with flowing gowns and colored tux. It sure was "A Time for Us".

And then came Purdy, the photographer, to make arrangements for our senior pictures. Such anticipation!

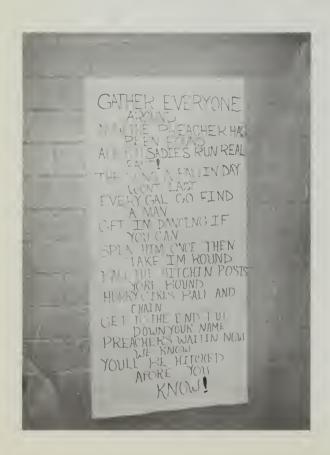

September, 1970—SENIORS at last! Class officers: President—Bunky Davis

Vice-President—Paula Fichera Secretary—Helen Dolan Treasurer—Marie Lamantea

Already elected in their junior year were filled with ideas for a successful year.

Selling cakes, bagging confetti to sell at the football games, selling green and white pennants with our insignia, distributing lollipops and chocolate bars to our sweet-toothed friends—all brought money to our treasury. Everyone loved the pins and tie-tacs with '71 inscribed on them!

Daisy Mae and L'il Abner came alive at our Sadie Hawkins Dance. What a band and what a night! Bertha Packard's posters really were great. L'il Abner didn't have a chance with all the Daisy Maes.

"Chateau DeVille" never saw the like of it before. Our wonderful Senior Prom! All our anticipation and preparation was realized on June 4, 1971.

Finally, the parting of the ways and the receiving of our diplomas. Graduation—June 1971. How much that scroll really means to us—a stepping stone to the future crossroads!

To Miss Theresa Re, we express our thanks and gratitude for all her help and assistance. To Mr. Philip Breen and Miss Miriam Buckley, our yearbook advisors, we say "Thanks". To Miss Ann Splaine, the N.H.S. advisor, we are grateful for her time and advice. To all the faculty we express our appreciation for having put up with us for four years.
